EXPERIENCE

Jr: Full Stack Developer

SDLC Corp • Aurangabad, Maharashtra
11 March 2023 - Present

Responsibilities and Achievements:

- Successfully contributed as a full stack developer on over three live projects, utilizing technologies such as React.js, MongoDB, Node.js, Express, and other related technologies.
- Played a key role in developing and delivering these projects, showcasing proficiency in both front-end and back-end development.
- Collaborated closely with cross-functional teams to ensure seamless integration of various components and create user-centric web applications.
- Leveraged my expertise in React.js, MongoDB, Node.js, and Express to build robust and scalable solutions, meeting project requirements and exceeding client expectations.
